One Mitchell Shire

Councillor holds the position of State Secretary for Australian Women in Local Government Association (AWLGA). The AWLGA document, 'The Way Forward', was endorsed by the Mitchell Shire, and is used to encourage and support women officers and councillors.

The Mitchell Shire Council supports White Ribbon Day and annually holds an International Women's Day awards function. The Shire is planning for 2010 – the Year of Women in Local Government.

Women's Health

Goulburn North East is the government funded specialist women's health service for the Goulburn Valley and North-East Victoria.

We are dedicated to promoting the health and wellbeing of all women and to improving the delivery of health and community services for women in their local communities.

Our work is underpinned by a social model of health which recognizes that a complex array of factors influence a woman's sense of self, health, safety and wellbeing. We acknowledge that many women have limited access to social and economic resources. We respect and affirm diversity among women.
