

Women

In Murrindindi Shire

WOMEN'S HEALTH
GOULBURN NORTH EAST

This information is a resource for the ongoing improvement of planning, delivering and evaluating services to women in the Murrindindi Shire. It shows the value of sex-disaggregated data.

In the Murrindindi Shire:¹

- Ø Women earn less than men. The March 2008 Poverty Line for a single person was \$378 per week. More than half Murrindindi Shire women (54%) had a gross individual income of below \$400 in 2006 compared to 34% of men.
- Ø Of people in Murrindindi Shire earning more than \$1,000 per week, 76% are male.
- Ø In Australia, women working full-time earn 16% less than men.²
- Ø In Murrindindi Shire, of people holding a diploma or degree or higher, 59% are women.
- Ø Currently, the average superannuation payout for women is a third of that for men - \$37,000 compared with \$110,000.³
- Ø Murrindindi Shire women do more unpaid work. 17% of males did more than 15 hours per week of unpaid domestic work, compared to 42% of females.
- Ø Women comprise 71% of the primary carers of elderly, disabled and mentally-ill members of the family.⁴ This responsibility greatly hinders a woman's ability to fully participate in paid work.⁵
- Ø 13% of Murrindindi Shire families with dependent children are headed by a sole parent compared to 15% in Victoria.
- Ø In Australia in 2006, women headed 87% of sole parent families with children under 15.⁶ (Labour Force stats.) In Murrindindi Shire, the rate from Census Data is 55%.
- Ø In Australia, only 1.7% of women under 19 have children.
- Ø In 2006, 1% of births were to Murrindindi Shire women aged less than 20 years, compared to 2.9% for Victoria.⁷

All citations are from the 2006 ABS Census, unless stated otherwise.

There are 6,738 women in Murrindindi Shire, comprising 49% of the population.⁸ In the over 85 population, 152 are women and 65 are men.

Aboriginal or Torres Strait Islander people comprise 0.7% of the population compared to 1% in Victoria. The life expectancy of Aboriginal women is 64.8 years – 17 years less than for non-Aboriginal women.⁹

Goulburn is projected to grow at a slower rate than Victoria throughout 2006 – 2036, increasing its population by almost 79,000. More than two thirds of the growth is expected in the 60+ age group, who will comprise more than one-third of the population in 2036.¹⁰

81% of Murrindindi Shire women are Australian-born. Mostly, those born overseas come from England, New Zealand, Germany and the Netherlands.

23% of Murrindindi Shire women have no religion. (Most are Christian – 56%)

- Ø 30% of women in Murrindindi Shire volunteer – 8% are 24 or younger. (One in 5 young women under 25 is a volunteer.) 4% of Murrindindi Shire women have a disability.
- Ø In 2008, 88 Murrindindi Shire women accessed community-based mental health services (child and adolescent, adult or aged), and 7 women used a Psychiatric Disability Rehabilitation and Support Service.

CRIME

- Ø There are more crimes against the person and fewer crimes against property in Murrindindi Shire than Victoria. The rate for crime against the person is 1,033 per 100,000 in the Murrindindi Shire compared to 818 in Victoria. The rate for crimes against property is 2,713 per 100,000 in the Murrindindi Shire and 5,358 in Victoria.¹¹
- Ø In 2007-8 there was a family violence incident call-out rate of 611.5 per 100,000 people in Murrindindi Shire compared to 603.8 for Victoria.¹²
- Ø The rate of drug offences recorded in the Murrindindi Shire, is 77 per 100,000 for drug cultivation and manufacture compared to 79 in Victoria; and a rate of 176 per 100,000 for drug possession and use in the Murrindindi Shire compared to 191 in Victoria.¹³
- Ø There were more female victims of rape (7) and sexual assault (8) than male victims (0). More males (56) than females (50) were assaulted.¹⁴

DISADVANTAGE

- Ø Murrindindi Shire is more advantaged in terms of socioeconomic disadvantage (SEIFA) than most LGAs in Victoria, ranking 7th on a scale of 1 to 10 where 1 is most disadvantaged.¹⁵
- Ø In terms of 'Education and Occupation' disadvantage, Murrindindi Shire is ranked 6th on a scale of 1 to 10 where 1 is most disadvantaged.¹⁶
- Ø Eildon's postcode (3713) (within Murrindindi Shire) appears in the list of the 40 most disadvantaged post code areas.¹⁷
- Ø Murrindindi Shire has an aria (remoteness)¹⁸ score of 1.6 in the west, indicating it is 'Highly Accessible', and 2.1 in the east, indicating it is 'Accessible', with relatively unrestricted access to a wide range of goods and services, and opportunities for social interaction. ¹⁹

**Women's Health
Goulburn North East** is the government funded specialist women's health service for the Goulburn Valley and North-East Victoria.

We are dedicated to promoting the health and wellbeing of all women and to improving the delivery of health and community services for women in their local communities.

Our work is underpinned by a social model of health which recognizes that a complex array of factors influence a woman's sense of self, health, safety and wellbeing.

We acknowledge that many women have limited access to social and economic resources. We respect and affirm diversity among women.

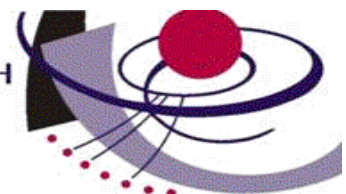

We provide training, information, and assistance with service improvement for service providers and planners, as well as consultancy services on equity, gender and health, and evaluation, planning, and research.

All our work involves collaboration with outside organisations and with women.
