## **FINANCIAL REPORT**

**For the Year Ended 30 June 2018**

**WOMEN'S HEALTH GOULBURN NORTH EAST INC.  
BOARD MEMBERS' REPORT  
for the year ended 30 June 2018**

Your board members present this report on Women's Health Goulburn North East Incorporated (the agency) for the financial year ended 30 June 2018.

**Principle Activities**

The principle activity of the agency is to promote the health outcomes of all women and to improve the delivery of health and community services for women in our local community.

**Strategic Priorities**

In order to pursue this goal the Agency has the following strategic priorities:

- 1 **Leadership in Primary Prevention** - Address the underlying determinants that influence women's health.
- 2 **Organisational Excellence** - Deliver exceptional outcomes while maintaining a strong, productive organisational culture.
- 3 **Growth, Sustainability and Innovation** - Expand the reach and influence of our work and maintain sustainability into the future.

**Information on Board Members**

**WOMEN'S HEALTH GOULBURN NORTH EAST INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**for the year ended 30 June 2018**

The financial statements are for Women's Health Goulburn North East Incorporated (the agency) as an individual entity incorporated under the *Associations Incorporation Reform Act 2012 (Vic)*.

**NOTE 1 : SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Preparation**

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-Profits Commission Act 2012*. Women's Health Goulburn North East (the agency) is a not-for-profit entity for the purpose of preparing the financial statements.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Under AIFRS, there are requirements that apply specifically to not-for-profit entities that are not consistent with International Financial Reporting Standards (IFRS) requirements. That agency has analysed its purpose, objectives and operating philosophy and determined that it does not have profit generation as a prime objective. Consequently where appropriate the agency has elected to apply options and exemptions within AIFRS that are applicable to not-for-profit entities.

**Accounting Policies**

**a) Revenue**

Grant revenue is recognised in the statement of comprehensive income when the agency obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the agency and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the agency incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Investment revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST)

**b) Property, Plant and Equipment**

Each class of plant and equipment is carried at cost or fair value as indicated, less, where applicable, any accumulated depreciation and impairment losses.

**Plant and Equipment**

Plant and equipment are measured on a cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the agency to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining recoverable amounts.

**Depreciation**

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, but excluding freehold land, are depreciated on a reducing balance basis over the asset's useful life to the agency commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

<b>Class of Asset</b>	<b>Depreciation</b>
Motor Vehicles	0
Plant & Equipment	10% - 40%

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Each asset class's carrying amount is written down immediately to its recoverable amount if the class's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the profit or loss.

**c) Leases**

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the lease term.

**d) Employee Benefits**

Provision is made for the agency's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

Statutory superannuation contributions are made by the agency to an employee's superannuation fund and are charged as expenses when incurred.

**WOMEN'S HEALTH GOULBURN NORTH EAST INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
for the year ended 30 June 2018

**e) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

**f) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

**g) Income Tax**

No provision for income tax has been raised as the agency is exempt from income tax under Div. 50 of the Income Tax Assessment Act 1997.

**h) Provisions**

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimates of the amounts required to settle the obligation at the end of the reporting period.

**i) Comparative Figures**

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

**j) Trade and Other Payables**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the agency during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of the recognition of the liability.

**k) Critical Accounting Estimates and Judgments**

The board of management evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the agency. The judgements, estimates and assumptions that have the most significant effect on the amount recognised in the financial statements include:

Note 7: Property, plant and equipment - estimate of useful lives.

Note 10: Employee benefits provision - benefit expected to be settled more than 12 months from reporting date are recognised and measured at the present value of the estimated future cash flows.

**l) Economic Dependence**

The agency is dependent on the Department of Health and Human Services (Victoria) for the majority of its revenue used to operate the business. At the date of this report the board of management has no reason to believe that the department will not continue to support the agency.

**WOMEN'S HEALTH GOULBURN NORTH EAST INC.**  
**STATEMENT BY MEMBERS OF THE BOARD**  
**for the year ended 30 June 2018**

The members of the Board declare that:

1. The financial statements and notes are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and:
  - a. comply with Australian Accounting Standards; and
  - b. give a true and fair view of the financial position as at 30 June 2017, and of the performance for the year ended on that date of the agency
2. In the board members' opinion there are reasonable grounds to believe that the agency will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Management.
