## Working Together to End Family Violence

Join Women's Health Goulburn North East, with Phil Cleary, for this small-group session on the role of sporting clubs in creating safe and strong cultures.

### The session covers:

- adaptive leadership that brings out the best in our clubs
- new funding requirements around gender equity, and
- the business case for GE
- how gender equity in our clubs prevents violence

### Who Should Attend?

Sports administrators, established and emerging sports leaders and managers of sporting venues are encouraged to attend.
