Women's Health Goulburn North East

Services Offered

Women's Health Goulburn North East acknowledges the wisdom, living culture and connection of the Traditional Custodians of the lands on which we work, and the profound disruption of colonisation and the Stolen Generations on Aboriginal and Torres Strait Islander peoples. We believe in a shared and just cultural transformation that embraces diversity.

These ethical principles guide our work and conduct. Always was, always will be.

Women's Health Goulburn North East

Women's Health Goulburn North East (WHGNE) is a non-profit organisation working across northeast Victoria and the Goulburn Valley (GV) to promote and pursue optimal health and wellbeing outcomes for women* living and working in these rural and regional communities.

What do we do at WHGNE?

- Gender equity facilitating change
- Gathering the evidence research and engagement
- Health promotion prevention, advocacy and collaboration
- We focus on gender justice, prevention of gendered violence, sexual and reproductive health rights, mental health and women in a changing climate

*WHGNE takes a gender inclusive approach to its work and its advocacy for women encompasses anyone who identifies as a woman as well as gender-non binary people
