Warriors Unmasked art project with Centre Against Violence (CAV)

GO TAFE partnered with lead organisation, CAV, to assist in delivering The Art Project – Warriors Unmasked, initially a project for survivors to heal and ultimately resulting in a powerful project for violence prevention.

As the Creative Director of the Art Project and Trainor and Assessor Visual Arts and Design at GO TAFE, Dr Jan Donaldson reflected, art is a powerful medium through which people can express emotion and explore themes of social injustice and healing. From GO TAFE's website:

The exhibition highlighted art as “a transformative tool, empowering survivors, and sparking conversations about critical issues within our community.”

The project was a collaboration between CAV, GO TAFE, Kyamba Foundation, Rural City of Wangaratta and Wangaratta Art Gallery.

Supporting Goulburn Valley League Say No to Violence Round

The GOTAFE Goulburn Valley League (GVL) Say No to Violence round was held in May of 2023. According to the [GO TAFE](#) website, this event saw community members ‘encouraged to undertake training to assist them in identifying the risks of family violence.’

‘GOTAFE delivers the Course in Identifying and Responding to Family Violence Risk (22510VIC), which is designed to support people who may encounter victim-survivors and perpetrators through their daily working interactions.’
